A year of progress, powered by community!

In 2024, donor-fueled projects created positive and lasting change. With your support and participation, Friends of Hollin Hills restored vital parkland, gathered neighbors for the annual Turkey Trot, celebrated the legacy of Charles Goodman by bringing together Charles Goodman experts, enthusiasts and residents to celebrate his legacy and more.

Donations underwrote multi-year grants to control invasive species and replant parklands, created playscapes for kids, offered social and educational events and supported legacy commemorative projects for the Hollin Hills 75th anniversary.

2024 Accomplishments

Preserving Our Parks & Natural Spaces Removed 1 acre of invasive plants, including ivy and bamboo, from upper and lower Goodman Park.

Granted \$4,100 to the HH Parks to remove invasives from Voigt Park and continue work on the McCalley Park Native Demonstration Garden.

Planted 75th Anniversary Trees & funded five new park signs

Continued work on the **Voigt Willow Dome**, enhancing our community green spaces for community kids
